K9 ABC GAMES

**October 12, 2019 – West Coast Warm Bloods
2829 53rd Ave, Delta, BC**

Hide and Odour Officials: Allison Maxwell and Andy Carr
Judges: Allison Maxwell and Bonnie Hartney

**Event entries open September 16th at 7:00 PM
and closes September 22 at Midnight**

Limited Entry

Single Odour – \$70.00

Double Odour – \$84.00

Triple Odour – \$98.00

Birch, Anise and Clove will be used.

SOG and DOG will run simultaneously. For teams entering both searches we cannot guarantee your SOG run will be scheduled before your DOG run.

The capacity of each level will adjust based on the number of entries. If there are more entries in one level, the numbers in the other levels will decrease. The numbers in each level will also determine the start times and finish times of each level.

At this location you can enter more than one level and still have it count towards qualifying scores and titles.

If you run two dogs at one level, the second run will be FEO as you will know where the hides are. FEO runs are now accepted before the event is full.

Single Odour Games: Briefing and walk through at 8:30am.

First team on-line: 9:00am. Debrief and ribbon presentation time determined by entries.

Double Odour Games and Triple Odour Games: Briefing, walk through, debrief and ribbon presentation times will be determined by entries .

Final details will be emailed to participants before the Games.

Please make sure we have your email address, especially if it is not the same one you used to register initially for the K9 ABC Games.

Single Odour Games: You have 6 minutes to find 1 birch hide in each of the 4 search elements (Containers, Interior, Exterior and Vehicles). You will receive a qualifying ribbon for each element found without a false alert. Find all 4 with no false alerts and you will earn a SOG title and ribbon!

Double Odour Games: You have 8 minutes to find 1 hide in each of the 4 search elements plus an additional 2 hides in any of the elements. Birch and anise will be used. You will receive a qualifying ribbon for each element found without a false alert. Find all the hides in all elements without a false alert and you earn a DOG title and ribbon!

Triple Odour Games: You have 10 minutes to find 1 hide in each of the 4 search elements with an unknown number of additional hides (7 to 10 hides in total). Blank rooms may be present. Distractors such as food or toys may be used. Birch, anise and clove will be used as well as combinations of those odors. You will receive a qualifying ribbon for each element providing you have found all the hides without a false alert. Find all the hides without a false alert and you will earn a TOG title and ribbon!

Qualifying scores are cumulative for all levels. If you find all of the hides in one search at any level you will receive a 'noseworthy' tab on your title ribbon.

For Teams New to ABC Games: Registering a dog and handler

Click on link <http://abcsys.k9abcgames.com>

Follow the instructions to sign up a dog and handler. For those new to K9 ABC games, there is a one time \$5.00 USD fee to register the dog for life. There is no charge for the handler. A link will be provided to pay this fee on the ABC Games web site. (IMPORTANT NOTE: DO NOT add this fee to your entry as two separate entities are collecting.)

Register for this event: Once registered as a TEAM in the K9 ABC Games system you can then register for this event once it has opened. Go to the K9 ABC Games web site, sign in and click on the Handler portal. Then click on the tab beside your dog's name that says 'register for an event'. On the next page that comes up click on 'Idevent'. When the tab drops down choose the location of the event. For this event pick Ladner Fishermen's Hall, then choose 'Idlevel' and choose your level (SOG,DOG or TOG). If you want to run FEO, click the Status tab and choose FEO. Don't worry about this tab if you are not running FEO. Don't worry about the payment status tab as you can't change that. Next click 'create'. How to play:

You can enter any level that you want to. The SOG title is not necessary to move up to the DOG level and the DOG is not required for the TOG level. As well, you can continue to participate in one level as long as you like or you can move 'backwards'. This is to support teams that may like more practice at a certain level. Each game is a continuous and contiguous search meaning that you do not stop between the search elements and all the elements are combined in one search. There may be containers in the exterior search and vehicles in the interior search. The search time is recorded for your own records but is not used for placement. The timer will endeavor to give you a 30 second warning before maximum time for your search.

Faults will be noted on the score sheet (ie dropped treats). Dismissal from extreme faults will be at the judge's discretion. If your dog eliminates during the search, you keep the Qs you have earned before the elimination but the rest of your run becomes FEO. If your dog eliminates at the beginning of the search you will be excused and can return after all the teams have finished for a FEO run.

Elimination of a team will occur for verbal or physical abuse of officials, volunteers, other competitors or their dogs.

Crating: Will be in vehicles. Please bring whatever you and your dog need to be comfortable. Don't forget your dog's reward and water!

Dog Gear: Flat collars or harnesses for searches. No choke chains, prong collars or e-collars.

Reactive dogs: It is the handler's responsibility to make sure that the dog is wearing a red scarf so that others can keep their distance. Like most Nose Work events, there is no dog on dog contact. Keep a minimum of 15 feet away from any dog even if yours is 'friendly'. If you see a red scarf on a dog, please give that dog extra space. The Games are open to reactive dogs *EXCEPT* those dogs that are currently deemed as dangerous, vicious or aggressive by any municipality, city, province or state. Dogs that are identified under breed specific legislation but do not have a bite history or have not been deemed dangerous are welcome to participate.

Bitches in Heat: The team may participate if the dog wears pants, they will run last at each level. Please notify us as soon as possible so the running order can be adjusted.

Warm-up boxes will be available.

No day-of entries will be accepted.

No training on the site is allowed before the event or on the day of the event.

Refunds will be given only for dogs withdrawing for medical reasons. Veterinary certificates must be presented to Trial Host or Secretary before event begins.
